## SUMMARY

---

Marketing strategist with Economics and IT background. Drives go-to-market strategy and user acquisition for early-stage consumer apps across Korean and U.S. markets. Combines data-driven analysis with user research to optimize campaigns and validate product-market fit through A/B testing and performance marketing.

## EXPERIENCES

---

### WYVERN FINANCIAL INVESTMENT CLUB - RESEARCH ANALYST

Seoul, Korea | Mar. 2025 – Dec. 2025

- Conducted in-depth market research on 4 domestic and global companies, analyzing industry trends, competitive landscapes, and consumer behavior to derive actionable insights
- Presented data-driven findings to 40+ stakeholders, translating complex market data into clear, strategic narratives

### EO School Startup Methodology Program - Startup Planner

Seoul, Korea | Feb. 2025 – May. 2025

- Planned and launched FinSave landing page with A/B testing; optimized copy and design to improve CTR by 40% and validate product-market fit
- Designed go-to-market strategy and customer acquisition funnel for usage-based insurance product
- Built automated lead capture workflows using Zapier, reducing manual data entry by 80% and scaling user acquisition

### HANA SECURITIES - EQUITY MARKET RESEARCHER

Seoul, Korea | Mar. 2024 – Jul. 2024

- Analyzed Korean and U.S. market trends using DART filings and IR materials, identifying sector-level consumer behavior patterns and demand signals applicable to marketing strategy
- Synthesized cross-market data into comparative insights, building frameworks for evaluating market entry opportunities and competitive positioning

## PROJECTS

---

### Clir - Co-Founder, Product & Marketing (Allergy-Safe Shopping App)

Irvine, CA | March. 2026 – Present

- Conducted competitor benchmarking and user research for an allergy-safe shopping app targeting the U.S. market; synthesized customer insights into feature prioritization and market positioning

### Plink - Marketing & Market Research Led (AI Couple Calendar)

Irvine, CA | March. 2026 – Present

- Lead marketing strategy and user acquisition planning; analyzed 20+ competitors and defined 3 target personas to identify market differentiation opportunities

### The Synergy Joint Entrepreneurship Conference - Team leader

Seoul, Korea | Feb. 2025 – Nov. 2025

- Led market opportunity analysis and business model development for group-purchasing app connecting traditional markets with single-person households
- Developed comprehensive business plan including competitive positioning, revenue model, pricing strategy, and market sizing
